*DRB is a pre-professional non-profit 501(c)(3) ballet company composed of students from the Academy of Dance Arts. Auditions for the company and its productions take place in early fall. Each December, DRB performs a full-length production of "The Nutcracker" to the delight of local audiences. We will be entering our 31st season of the Dallas Repertoire Ballet and are thrilled to announce our Nutcracker performances will return to the Eisemann Center again this year on December 13-15, 2024.*
