Dallas Repertoire Ballet

Membership Sponsor Opportunites:

The Dallas Repertoire Ballet's mission, accomplished through it's annual Nutcracker production, is to offer children ages 4 to 18 an opportunity to dance in a professional quality production and cultivate the love of ballet and performing arts in both the dancers and community. A show of this caliber comes with professional quality expenses. This performance is able to operate in large part due to the generous support of donors who believe in its non-profit mission and the magic it brings to the holiday season.
