

DRB Sponsorship

Membership opportunities are now available for the Dallas Repertoire Ballet 2026 season. DRB is a pre-professional non-profit 501(c)(3) ballet company composed of students from the Academy of Dance Arts. Each December, DRB performs a full-length production of "The Nutcracker". This is the 34th season of the Dallas Repertoire Ballet and the performances will return to the Eisemann Center again this year on December 12-13, 2026.

The DRB promotes the art of dance, to encourage and support the advancement of dance students, artists, and choreographers. All donations help fund the dreams and goals of the DRB. Please email drbnutcracker@gmail.com with questions.

Please choose the level of membership that best suits your family. Thank you for your support of the DRB!
